

Drug Evaluation and Classification Program Arkansas Drug Recognition Expert Instructor

Commitment Pledge

I, _____, understand and acknowledge that my role as a DRE Instructor is a significant responsibility and will require an increased time commitment to the Arkansas Drug Evaluation and Classification Program (DECP) than was required as a DRE Officer. I also understand that dedicated, qualified instructors are critical to the continued success of the DECP. Before I can be accepted in the Arkansas DRE Instructor Development training program as a Candidate Instructor I must commit to the following:

- I acknowledge that I am **required** to provide a minimum of eight hours of instruction every two years in order to maintain DRE instructor certification.
- I will commit at least 32-hours of **class-room** time every two years in a certification and/or recertification class, ARIDE class, and/or evaluation night. This can be in the form of On-scene course manager, lead instructor, and/or assistant instructor.
- I will make myself available to DRE officers within and outside my agency who request a DRE Instructor to witness recertification evaluations, if at all possible.
- I will make myself available to observe, evaluate, and verify the performance of candidate DREs throughout the training and certification process when called upon, if at all possible.
